**1. Armidale Meeting**

I have booked the same venue we had at Armidale last year, for this year's meeting...the Bowling Club Conference Room. The date booked is Saturday 28th October 2000; the proposed program is as follows:

**Saturday 28th Oct. 2000**

**9.30am**                      **Meet at Armidale Bowling Club's 1st floor** Function Room.  
Registration , socialising etc.  
Make own arrangements for lunch

**2.30pm**                      **Annual General Meeting of AWFS .**

(Members wishing to have something discussed and/or decided at this meeting please advise me ASAP so I can put it on the **Agenda** to be sent with the next Newsletter.)

**4.30pm**                      **Presentations** by Members similar to those last year,  
i.e. "Waugh Family History ...Past and or Present ...As I see It."  
Not just from Generation "G" but from any Generation !!

**If you wish to make such a presentation please limit it to say 15 minutes and advise me ASAP so I can put it in the next NL.**

**6.30pm**                      **pre dinner drinks** and savories

**7pm -?11.30pm** **Dinner**, followed by entertainment by Members and some dance music.

I already have an acceptance from **Mim Gardiner** (H253) (from Barraba), to sing for us, but other offers would be welcomed.

I would also like someone to take on the job of **Musical Director** - to organise the dance music tapes etc.

I invite Members to make suggestions for the program for Sunday.

## 2. Membership Matters

Attached to this Newsletter is a list of those Members who my records show have already paid their **\$10 Annual Family Membership fee for 2000**. Please note that this **fell due on 1st January 2000**. So if you get this Newsletter and **don't** find your name on the list, well, you'll know what to do!

We haven't really determined the criteria for membership; I just list the senior, subscription paying, "direct descendants" as being members, but their young children, and spouses, living in the same household, should also be considered as members, in my opinion. Perhaps this aspect could do with some discussion at Armidale next October.

## 3. Another 2 Apologies from the Editor!

Once again I find myself well behind schedule in getting a Newsletter out and for this please forgive me! I won't say it will never happen again, but I **am** in a rather special period whereby I can see a strong possibility of launching this boat I'm building, in the next 3 or 4 weeks.

The Sailing Club I have belonged to for the past 40 years (Lake Keepit Sailing Club) has its biggest Regatta of the year, on 12th and 13th June and I am very keen to get this boat launched in time to participate. The gestation period has been more than 3 years, and there have been times when I felt that perhaps I would never see it afloat. However, progress of late has been good, and I am now in the process of getting a sailmaker to produce the sails. I have the trailer built and registered, and just have to finish off the fitting out of the hull. Being a single minded sort of a person, I find it hard to concentrate on more than one project at any one time.

My second apology is for the brevity of this NL, I have a mountain of correspondence in my "IN" tray (a drawer actually) which I haven't answered as yet and much of it should go in this NL. However, once I have this boat afloat, I'm sure I will be able to do justice to NL 11!. So sometime in July I should be able to put together a whopper of a Newsletter!

Until then....Family Love and Best Wishes to all Members
