The 1996 Family Reunions

This book is a result of the effort and the information that was obtained from family members who discovered more of their roots and a wider range of relatives at the reunions in Tenterfield and Port Macquarie in 1996. Hopefully they will happen again.

The photos on the next pages are of the speakers at the reunions. There are group photos and videos of the reunions are also available.

Photos: The photos in this book and many others will be available from the Aust. Waugh Family Society, details will be in the newsletters. Current contact address for the society: Ron Main RMB 467 Kootingal, 2352.
